

We are strong when we belong!

We become strong, when we belong.

In the body of Christ, it is our small sacrifice.

To live in Him, do His will, we then can begin,

To see His glory in all our lives, because He paid the price!

The greatest sacrifice! Oh to be “one in Him!”

So let us begin, no more say I can't, don't, rave and rant,

and say, I just can't!

Because you see brothers, He did it all for you and me on the cross at Calvary.

So we must learn to be, one in Him!
