

OPPS is an interesting statement!

Said Opps lately? To whom, you or a friend or somebody you wanted revenge because of an act against you!

Whether from a child in innocence or a dead done in the deepest darkness of manipulation hidden in your heart Opps can hurt.

Opps can create a Bitter Root Judgment to all parties involved starting with you.

A good decision is repentance; a better decision is unconditional forgiveness and an Opps changes form to a Better Root Mercy of unconditional Love from your HEART.

Making the Right Choices is a good thing.

Micah 6:8 says What is required of you?

- \* Act Justly (with integrity)
- \* Love (Unconditionally)
- \* Have Mercy (Unconditional Love)
- \* And WALK Humbly with our ABBA Father your God. (in covenant worship a lifestyle of love)

No more Opps but I love you,

The Love that comes from the Father,

Pastor Ray
