

**A SMILE AND A SCOWL ARE
READ IN EVERY LANGUAGE.**

The religion that makes a man look sick, will not cure the world! All religions claim to have the spiritual answer. They assure a future after death, a better and

more enriched life now, with contentment and confidence established through their God. Charles Dickens wrote, 'cheerfulness and contentment are great beautifiers, and are famous preservers of youthful looks'. How does our faith affect our mind and our looks? Are we a worried, troubled people, because of our fears, anxieties and 'love starved' religion, or are we a warm, peaceful, loving, caring and positive individual whose God is alive. Look at yourself in the mirror! People who love Jesus Christ have found a life saver, who has changed them tot he good forever! Jesus said if you own me in this life, not only am I your friend, I will change you on the inside; and your face will declare the joy and peace this brings. You are the face of Jesus.
